

# Curriculum Vitae of Shaiyur Dookan

## About me

I'm an aspiring software developer that has a strong affinity for the field of Information Technology. I have completed my Bachelor of Science in Information Technology at Richfield and would like to pursue a career whereby my skills and qualification in Information Technology can be fully realized and harnessed. I am a passionate young leader, highly ambitious, dedicated, hardworking and driven by motivation to complete the task at hand. I can easily learn new skills and apply it effectively towards a problem. I enjoy taking on new challenges and discovering different ways to solve it. I'm continuously learning new IT concepts and treat every opportunity as a way to improve my skills, and by proxy, myself as a whole. I am currently seeking employment to support myself and gain valuable experience in the IT sector.

## Positions Of Responsibility

- As a prefect in both primary and high school, I've learnt how to lead by example as well as develop my social skills.
- As a member of the RCL (Representative Council of Learners) council for 5 years in high school, as well as 2 years in my tertiary institution, I've honed my leadership qualities and was a part of implementing a 'Green' initiative to promote recycling at my high school.

## Volunteer Work

- Assisted with the registration of Grade 8 pupils at my high school for the 2019 academic year.
